## ANALYSIS

This is the first required review since the original approval of the Special Use Permit (SUP-13541) that allowed a Pet Board Establishment at 3223 North Rainbow Boulevard. During a field inspection of the site, the establishment appeared neat, clean, and well maintained. A research of the business license activity revealed a license was issued on 08/22/06, and is still active. The establishment did receive a Certificate of Occupancy on 11/06/06. Below are the conditions of approval for Special Use Permit (SUP-13541):

1. The parking area shall be re-striped to meet Title 19 requirements prior to the issuance of a Certificate of Occupancy for the building on this site.
2. Conformance to all Minimum Requirements under LVMC Title 19.04.050 for the Pet Boarding use.

3. This approval shall be void one year from the date of final approval, unless a business license has been issued to conduct the activity, if required, or upon approval of a final inspection. An Extension of Time may be filed for consideration by the City of Las Vegas.
4. The business shall be reviewed one-year after the issuance of a business license in a public hearing before Planning Commission.
5. All dogs shall be kept indoors after 8:00 pm daily.

## **FINDINGS**

Staff has confirmed compliance with all conditions of approval imposed by Special Use Permit (SUP-13541) during a field check on 10/29/08. The outside of the building and surrounding areas were clean and properly maintained, and the parking spaces appeared to have been recently re-stripped. The Special Use Permit was exercised on 08/22/06 with the issuance of business license # P05-80403. Staff finds that the applicant has met the conditions of approval of Special Use Permit (SUP-13541); therefore staff recommends final approval of this review.
